

BSAC 2015 - 2016

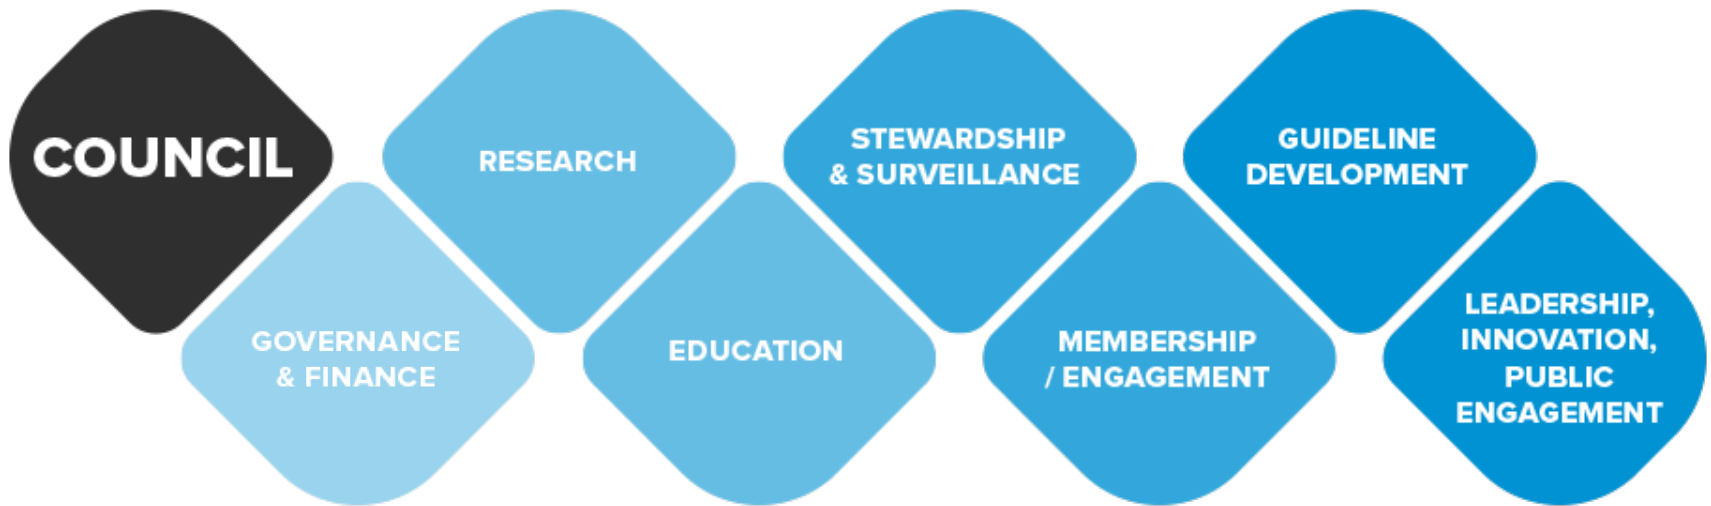

HIGHLIGHTS OF THE YEAR

Professor Dilip Nathwani, OBE

President, British Society for Antimicrobial Chemotherapy

Consultant Physician / Honorary Professor of Infection,
Ninewells Hospital and Medical School, Dundee

STRATEGY

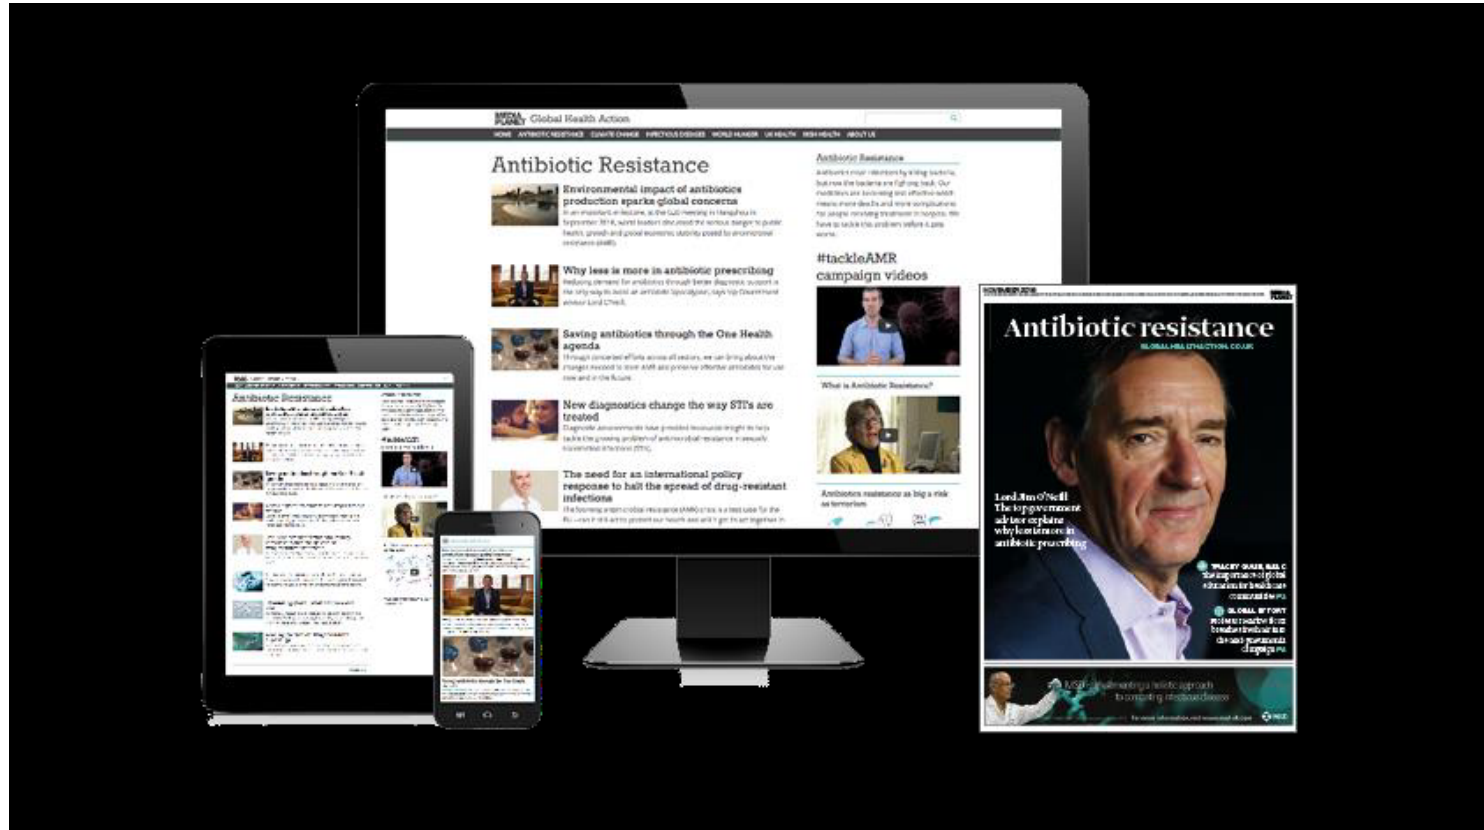

**ANTIBIOTIC
ACTION**

UK 5-YEAR AMR STRATEGY AND THE BRITISH SOCIETY OF ANTIMICROBIAL CHEMOTHERAPY'S CONTRIBUTION

KEY AREA 1	KEY AREA 2	KEY AREA 3	KEY AREA 4	KEY AREA 5	KEY AREA 6	KEY AREA 7
Improving Infection Prevention and Control Practices	Optimising Prescribing Practice	Improving Professional Education, Training & Public Engagement	Developing New Drugs, Treatments and Diagnostics	Better Access to and Use of Surveillance Data	Better Identification and Prioritisation of AMR Research Needs	Strengthened International Collaboration
Align the Infection Control and Stewardship Agenda	Advisory Role to Government	Advisory Role to Government	Advisory Role to Government	Advisory Role to Government	Advisory Role to Government	Advisory Role to Government
Implement Quality Improvement Agenda and Improvement Science	Collaborative Multi-disciplinary Working	Collaborative Multi-disciplinary Working	Antibiotic Action	Collaborative Multi-disciplinary Working	Antibiotic Action	Antibiotic Action
Measure Infection Rates and Antibiotic Consumption	Data Collection Systems to Measure Antibiotic Use	Development of an online resource for Antimicrobial Resistance www.bsac-arc.com	Collaborative Multi-disciplinary Working	Data Collection Systems to Measure Antibiotic Use	Collaboration with Industry	Collaborative Multi-disciplinary Working
	Expert Conferences, Workshops & Events	Evidence Based Guideline Development	Expert conferences, Workshops & Events	Evidence Based Guideline Development	Collaborative Multi-disciplinary Working	Data Collection Systems to Measure Antibiotic Use
	Funding Programme	Expert Conferences, Workshops & Events	Funding Programme	Expert Conferences, Workshops & Events	Expert Conferences, Workshops & Events	Evidence Based Guideline Development
	International Collaborations	International Collaborations	International Collaborations	Expert Conferences, Workshops & Events	International Collaborations	Expert Conferences, Workshops & Events
	National Sentinel Surveillance Programme	Expert Conferences, Workshops & Events	Professional & Public Education Campaigns	Funding Programme	National Sentinel Surveillance Programme	International Collaborations
	National Susceptibility Testing Methodology	International Collaborations		International Collaborations	National Susceptibility Testing Methodology	Preceptorship Support
	Preceptorship Support	Professional and Public Education Campaigns		National Sentinel Surveillance Programme	Professional & Public Education Campaigns	Professional & Public Education Campaigns
	Professional & Public Education Campaigns	Preceptorship Support		National Susceptibility Testing Methodology	Provision of Research Grants	
	Quality Improvement / Behavioural Science	Quality Improvement / Behavioural Science		Preceptorship Support		
	Supporting out of Hospital Treatment Programmes					

MEDIA ENGAGEMENT

IMPACT

**READERSHIP WERE 864,000
FROM SECTORS INCLUDING:**

156,000

healthcare

88,000

social care

338,000

education

11,000

environment
